The Honorable Kay Granger
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for 1450 South Extension: River Road to Dixie Drive Interchange (I-15) Project in fiscal year 2023.

The entity to receive funding for this project is City of St. George, Utah, located at 175 East 200 North, St. George, UT 84770.

The funding will be used to extend 1450 South in St. George, Utah to connect to major surface streets, Dixie Drive and River Road.

This project is a good use of taxpayer dollars because this project will alleviate traffic congestion by improving east-west vehicle flow from the Southern Parkway to the east side of I-15 towards Santa Clara and Ivins. This project is critical to the city of St. George as one of the fastest growing cities in the nation and is the 7th largest city in Utah. In addition, the city is home to millions of visitors frequenting nearby national treasures like Zions National Park and other outdoor recreation attractions and many business conventions. The transportation infrastructure needs to be improved and updated to manage this growth and increased traffic congestion that has now become the new normal.

I certify that neither I nor my immediate family has any financial interest in the project.

Sincerely,

A handwritten signature in blue ink that reads "Chris Stewart".

Chris Stewart
Member of Congress
