Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for 200 South Transit Corridor Phase 3: Transit Lane Compliance and Capacity Optimization in fiscal year 2023.

The entity to receive funding for this project is Salt Lake City Corporation, located at 451 South State Street, Salt Lake City, UT 84111

The funding will be used for the transformation of 200 South for Bus Rapid Transit to deliver fast and efficient service for multiple regional bus routes connecting major economic and education centers in the Wasatch Front region. The project will upgrade traffic components that allow the 200 South Transit Corridor to accommodate 12 bus transportation routes.

This project is a good use of taxpayer dollars because it will increase air quality, enhance quality of life, and unlock the vision for the developing Bus Rapid Transit corridor that increases mobility and connectivity for the region.

I certify that neither I nor my immediate family has any financial interest in the project.

Sincerely,

A handwritten signature in blue ink that reads "Chris Stewart".
