Ranking Member House Appropriations
Committee U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for Advanced Practice Clinical Laboratory Training Center in fiscal year 2023.

The entity to receive funding for this project is ARUP Laboratories, Inc. - located at 500 Chipeta Way, Salt Lake City, UT 84108.

This project is a good use of taxpayer dollars due to the impact to the workforce and development of medical science students. The project will create a new Advanced Practice Clinical Laboratory Training Center for Medical Laboratory Science through a unique partnership between ARUP and the University of Utah's Medical Laboratory Sciences division. Existing space will be renovated to provide a facility where medical laboratory science students can be trained in advanced skills associated with performing and managing the diagnostic testing needed for local community hospitals, clinics, public health centers, and other health care settings.

I certify that neither I nor my immediate family has any financial interest in the project.

Sincerely,

A handwritten signature in blue ink that reads "Chris Stewart".
