Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for the Beaver City Hydroelectric Plant Transportation Pipeline Replacement in fiscal year 2023.

The entity to receive funding for this project is Beaver City Corporation, located at 30 West 300 North PO Box 271, Beaver, UT 84713.

The funding will be used to replace up to 6,000 linear feet of 36" to 24" steel riveted 100-year-old penstock pipe on the pipeline from Merchant Valley Dam to the Upper Telluride Hydroelectric plant. Old pipe will be moved and new will be installed according to the funding.

This is a good use of taxpayer dollars because it will keep a 100+ year old public works project providing renewable power for a rural community.

I certify that neither I nor my immediate family has any financial interest in the project.

Sincerely,

A handwritten signature in blue ink that reads "Chris Stewart".
