Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for Ephraim Canyon Road Project in fiscal year 2023.

The entity to receive funding for this project is City of Ephraim, Utah, located at 5 South Main Street, Ephraim, UT 84627.

The funding will be used for a new alignment directly connecting Ephraim Canyon Road to Highway 89.

This is a good use of taxpayer dollars because it reduces road design related safety hazard for drivers on the road and pedestrians and bicyclists using the corridor. Currently significant traffic – including logging trucks – travel an indirect route to the highway and must pass an elementary school, creating a significant safety hazard for students, teachers, and parents.

I certify that neither I nor my immediate family has any financial interest in the project.

Sincerely,

A handwritten signature in blue ink that reads "Chris Stewart".
