The Honorable Kay Granger  
Ranking Member

Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for SR-7 Exit 5 Interchange, Southern Hills Bridge and Roadway project in fiscal year 2023.

The entity to receive funding for this project is City of St. George, Utah, located at 175 East 200 North, St. George, UT 84770.

The funding will be used for design and construction of the State Route 7 Exit 5 Interchange and Southern Hills Parkway connection from Banded Hills Dr to SR-7 including a bridge over the Fort Pearce Wash.

This project is a good use of taxpayer dollars because it will provide a crucial secondary access to the St. George Regional Airport and improve north-south mobility for tens of thousands of Washington County residents and visitors. This Road is a critical regional road connector and would greatly improve congestion and access for one of the fastest growing areas in the nation.

I certify that neither I nor my immediate family has any financial interest in the project.

Sincerely,

A handwritten signature in blue ink that reads "Chris Stewart".
